PROFESSIONAL EXPERIENCE

DRW – Leadership Rotation Network (LRN) Summer Intern London, Jun 2026 - Present

- Worked within Core Global Trade Operations across the post-trade lifecycle, gaining exposure to derivatives, equities, and debt instruments while collaborating with Trading, Treasury, Accounting and Business Management
- Developed and backtested a Python/SQL exchange fee accrual model across European exchanges and MTFs, querying trade databases, validating outputs against historical invoices, resulting in smoother P&L attribution
- Built and deployed a firm-wide application displaying fee trends, accrual breakdowns, and a searchable exchange fee database, accelerating invoice validation and helping identify approximately £100,000 in annual savings

National Bank of Romania – Market Operations Summer Intern Bucharest, Jul 2025

- Observed front office execution of capital market operations, including repo agreements, FX swaps, and deposit-taking, and frequently analysed fixed income market data to assess liquidity conditions across the banking system
- Produced a 50-page research report on FX reserve management and supported operations teams in verifying bond transactions and reducing settlement risk across the central bank's fixed-income portfolio
- Explored the central bank's reserve portfolio composition and FX market trends using Bloomberg; analysing historical data in Excel to build and backtest FX models, mark positions to market, and validate the bank's P&L

Linklaters LLP – Legal Foundation Insight Week Intern London, Jul 2023

- Assisted a managing associate during the initial stages of a cross-border real estate transaction involving the Qatar Investment Authority, and assessed financial risks and market trends relevant to the structuring of the deal
- Led a team of 10 peers in a legal ethics simulation, managed client communications and strategy development during a mock legal crisis; our plan was voted the most effective resolution by programme leaders
- Gained exposure to how partners managed counterparty relationships, structured complex transactions, and worked cross-functionally, an experience that reinforced my interest in solving complex financial problems

EXTRACURRICULAR ACTIVITIES

University of Bristol – Treasurer of Bristol Amateur Boxing Society Bristol, Apr 2025 - Present

- Managing a £20,000+ annual budget, overseeing all financial planning, expenditure tracking, and compliance for the society; building monthly cash flow models and implementing cost-saving measures to ensure zero overspend
- Presenting financial reports at committee meetings and the AGM, improving transparency and enabling data-driven decisions, reversing 3 years of losses. Won the Outstanding Contribution Award, while training 6x a week

Tunbridge Wells Grammar School for Boys – Leadership Positions Kent, Sep 2022 - Jun 2024

- Senior Prefect & Head of House: drove charity and integration initiatives, hosted assemblies, regularly spoke at public events such as Open Days and compered the school charity quiz night that raised over £1,000
- Public Speaking and Debating: received a Commendation at my first ever inter-school MUN conference

Holmewood House School – Barista and Lifeguard Kent, Mar 2023 - Jun 2024

- Lifeguard: minimised risks through rigorous training and team leadership, maintaining the safety of 500+ pupils
- Barista: managed daily operations and built customer relationships that expanded my bike-sourcing business
